

TRUTH TRIUMPHS

Barre Citizens Testify for the Public Benefit.

A truthful statement of a Barre citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ill, the cure is at hand. Read this:

Mrs. Daniel Ryan, 54 West street, Barre, Vt., says: "Time has not changed my opinion of Doan's Kidney Pills, for whenever I have taken them, the best of results have followed. Several years ago, I was hardly able to do my housework. I had severe pains in my back, headaches and terrible attacks of dizziness. My kidneys were so weak that any cold I caught settled in them and aggravated the whole trouble. I saw Doan's Kidney Pills advertised and my daughter got a box at E. A. Brown's drug store. This remedy proved to be the one I needed, and I had not taken it long before the backache ceased and the other symptoms of my trouble disappeared. I know Doan's Kidney Pills to be a splendid remedy for any trouble arising from the kidneys."

For sale by all dealers. Price 50 cents. Foster-McBirn Co., Buffalo, New York, sole agents for the United States.

Interesting Reading for Tubercular Invalids

The makers of Eckman's Alternative—the medicine that is curing tuberculosis all over the country—will send direct, a pamphlet and other literature, that every consumptive should read. It tells in their own language the story of those who Eckman's Alternative has cured. Such straight-from-the-heart evidence as this booklet holds is convincing. No matter if you have unfortunately spent time and money experimenting with nearly every "cure" under the firmament—investigate Eckman's Alternative after all hope had been abandoned, would it not carry some weight with you? A specimen—715 Cherry St., Phila., Pa. Gentlemen: "In July, 1906, I first noticed the conditions that showed I had Consumption. I lost weight rapidly; had a hollow cough, hemorrhages and very severe night sweats. My brother recommended Eckman's Alternative. In the fall of 1906 I began to take it. At this time I am perfectly well and robust. My appetite is good and my weight has increased from 110 to 140 pounds. Not a trace of my old trouble remains. I will gladly expose the merits of this medicine to anyone."

M. L. GERHARDT, Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and Burt H. Wells in Barre, Vt.

The youngest brother of the late Mrs. Chester Martin was the late George Wood, a Vermont man (northwestern Vermont), a business man and at one time a wholesale dealer in Chicago. His widow, now a resident of Los Angeles, Cal., is to be here a few days this week, the guest of her niece, Mrs. B. F. Sibbey, and her grandniece, Mrs. Will J. Young.

A PECULIAR SUIT.

Children Sue Insurance Company On Father's Paid-Up Policy.

Burlington, Oct. 20.—Chittenden county court was occupied yesterday afternoon in hearing the noted case of Priscilla B. Ferguson vs. Phoenix Mutual Life Insurance company in which the children of the late Daniel Bishop of Williston seek to recover what they claim are just rights under an insurance policy taken by their father from the Phoenix company.

Mr. Bishop took out with the company in the 70's a paid up life insurance policy in favor of his three children, who were then minors.

Afterward he entered into trade with the insurance company by which the policy was paid back.

The plaintiffs, Priscilla B. Ferguson of Williston and Dr. Rufus Bishop of Chicago, claim that at the time of this last named transaction, they were minors and their father acting as their natural guardian, signed away their interest in the policy while the interest of an other brother Walter Bishop, was signed by himself. He being of age.

The question involved is whether the father had the right to deprive his minor children of their rights under the policy. They seek to recover what was their portion from the Phoenix company.
